

Concerned about oil & gas drilling in Taylor County?

Learn more about your rights. Get answers to your questions.

Tuesday, September 7, 2010

6:30 PM

Taylor County Senior Citizen Center
U.S. 119, 3 miles south of Grafton

Presentation by David McMahon, a public interest lawyer & founder of the WV Surface Owners' Rights Organization (WV SORO), with a question & answer period to follow. The presentation will outline what rights landowners have and offer suggestions on what they should do before, during and after an oil or gas well is drilled on their property. Both surface and mineral owners interested in learning more about their rights are encouraged to attend.

Sponsored by Delegate Mike Manypenny, Mike Withers, Taylor Environmental Advocacy Membership (TEAM) and the WV Surface Owners' Rights Organization (WV-SORO)

For more information contact:
